

MALDIVES 2020
QUALIFICATION FOR THE 16TH ANNIVERSARY OF FM WORLD

We celebrated the recent anniversary of our company in one of the most beautiful places in the world – the exotic Maldives. We could enjoy breath-taking sights, and the temperatures around 30°C in mid-January. The sandy beaches loaded us with lots of positive energy, motivation to act and the hope to return there one day...

Our dream is coming true in November 2020 – we will conquer the paradise island again that stole our hearts during the 14th anniversary of our company! For the second time, our home will be the luxurious hotel of Kandima Maldives, located at the shore of the Indian Ocean, to celebrate another great year of FM WORLD.

Thanks to the new qualification rules, this time more of us will be able to enjoy the trip!

- **NO BASE MONTH!** Every Business Partner can qualify for the 16th anniversary in Maldives. Only the levels worked out in the period concerned will be taken into account – the levels of the completed months will not affect the result of the qualifications.
- **LONGER QUALIFICATION PERIOD!** It is the long ten months – from August 2019 until May 2020. August 2019 is a good start for the qualification for Maldives – compared to the qualifications for the anniversary in Singapore, you have one more month to meet the terms and a “spare” month in case something goes not as planned.
- **THE SAME NUMBER OF LEVEL REPEATS!** Like in qualifications for the 15th anniversary in Singapore.
- **QUALIFICATION FROM A HIGHER NUMBER!** The number with the higher achieved qualification will be taken into account, unlike formerly – your achievements on the main number.
